

12 Series filing and storage cabinets allow you to customize your own personal storage requirements, whether it's binders, end-tab folders, accordion folders, DVD's, CD's or general storage. 12 Series is available in 1½, 2, 3, 4 and 5 highs, in 30", 36" and 42" widths.

* Please refer to the current Global Contract Price List for specifications on the complete 12 Series.

Horizontal lines are uniform and consistent providing the cabinet with a clean flowing look

Half-height drawers are available as an option to store DVD's and CD's

Locks are located at ADA/AODA compliant location for ease of access

Posting shelves are an optional extra that fit smoothly over the lock

Binder storage is available as an option in the top opening of all 4 and 5 high cabinets.

End-tab filing is optional component of this series

Letter, Legal and A4 file folders can all be accommodated

Keyed-alike option with choice of 150 key numbers

In order to meet ANSI/BIFMA X5.9-2012, Counterweight must be incorporated.
