

• SIDE OPENING TOWERS

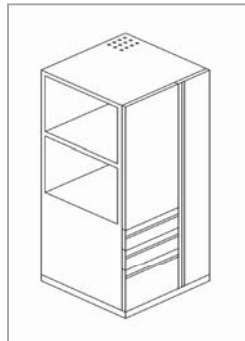

- Versatile towers can be freestanding or integrated into workstations to provide efficient vertical storage and filing.
- Open side shelves provide added work surface space and easily accessible open storage.
- Towers include separate lockable compartment for personal items such as coats, hats, umbrellas, bags etc.
- 24" wide by 24" deep cabinets
- Available in 50", 54" & 66" heights
- May be ordered left or right
- Full height personal storage compartment is 7" wide and is vented for air circulation.
- Available with either Linear or Evolve (shown) drawer fronts.

For further information, please refer to either the Boulevard Systems Price List / Storage – page I.48a and the Evolve Price List / Storage – page F.23.
