FOR IMMEDIATE RELEASE

Introducing ML Park

Simplicity. Proportion. Balance. Execution. These are the attributes of ML Park that endure the coming and going of style. The series includes a lounge chair, a sofa in two widths and an ottoman. Each is available with loose or secured back cushions and an optional seamless seat to support the interior application. Designed by Richard Eppstadt.

ML Park is well suited for reception areas, modern offices and hospitality applications. The finely crafted, stainless steel frames are offered in five distinct finishes. Choose from Designer White (DWT) Chrome (CH), Brushed Chrome (BCH), Black (BLK) or Tungsten (TUN). ML Park can be specified in COM or a full range of Global textiles and leathers.

ML Park meets or exceeds ANSI-BIFMA standards. Global Warrants the ML Park series under our Lifetime warranty and is rated for 300lbs.
