

Occasional Tables

Occasional Tables

While continuing our tradition in fine wood casegoods and tables, we are proud to introduce our Occasional Table Collection. The designs allow you to enhance any office or reception environment. Available in our broad selection of wood species and finishes. For sizes and shapes available, refer to the Descor Collection Price List.

The Descor Occasional Table Collection by Global Contract brings the time-honoured tradition of real wood to today's workplace. Distinctive edges, shaped from the finest, clear solid hardwoods, are made with the utmost attention to construction and details. Elegant and refined, these Occasional Tables are built for today's sophisticated office and reception areas. Transitionally designed to enhance both modern and traditional offices. Available in our standard Descor wood species and finishes. Special species and colours available upon request.
